

# **Alabama HIV/AIDS Prevention Council**

Division of HIV/AIDS Prevention and Control  
Alabama Department of Public Health

**Council Mission:** The mission of the Alabama HIV/AIDS Prevention Council is to develop a Comprehensive HIV Prevention Plan for the State of Alabama

**Council Vision:** The Alabama HIV/AIDS Prevention Council (the CPG) embraces the “HIV Prevention Community Planning” concept, to create an environment free from risk of HIV infection in every community through active grassroots participation.

## **Council representatives are committed to:**

- Preventing the transmission of HIV disease.
- Fostering leadership in communities.
- Increasing capacity building at all levels of the community.
- Coordinating resources to eliminate duplication of programs/services.
- Ensuring collaborative partnerships in prevention program development activities.
- Assuring the principles of representation, inclusion and parity are met.
- Involvement of prevention specialist, the infected, affected and concerned communities.
- Determining priority needs/strategies which are culturally relevant.
